

# 第四届钒原料、电解液与钒电池储能论坛 2026

4<sup>th</sup> Vanadium, Electrolytes & VRFB Forum 2026

## Agenda

➤ **May 20, 2026 17:00-20:00**

Pre-conference Registration (Lobby, 1st Floor, Gloria Grand Hotel Jishou)

➤ **May 21, 2026**

Conference & Forum (Banquet Hall 1, 1st Floor, Gloria Grand Hotel Jishou)

➤ **May 22, 2026**

Visit and Inspection:

College of Chemistry and Chemical Engineering, Jishou University

Guzhang County Hongyuan Vanadium Industry Co., Ltd.

**09: 00 Opening Ceremony, Addresses, and Investment Promotion**

1.Speech by a Leader of Xiangxi Tujia and Miao Autonomous Prefecture

2.Investment Promotion of Characteristic Industries of Xiangxi Tujia and Miao Autonomous Prefecture

3.Speech by a Leader of Guzhang County

**09: 30 Global Vanadium Market History and Projections**

Terry Perles, Vice Chairman/Presiden, Vanitec/TTP Squared, Inc.

**09: 55 Discussion on the Development of Vanadium Extraction from Stone Coal**

Hu Zhimin, Assistant to President & General Manager (Vanadium Mining Division), Wontai power Co.,Ltd.

**10: 20 Coffee/Tea Break & Networking**

**10: 45 Long-duration Energy Storage Technology and Applications**

Yu Huijuan, General Manager Assistant, Shanghai Electric Energy Storage Technology Co., Ltd

**11: 10 Commercial Practice of Vanadium Electrolyte Production**

Shi Xiaohu, General Manager, Big Power Energy Storage Technology Hubei Co., LTD

**11: 35 Research and Application of Key Materials for Long-Duration Vanadium Flow Battery**

Wu Xiongwei, General Manager & Chief Scientist, Hunan Yinfeng New Energy Co., Ltd.

# 第四届钒原料、电解液与钒电池储能论坛 2026

## 4<sup>th</sup> Vanadium, Electrolytes & VRFB Forum 2026

**12: 00 Review of New Russian Vanadium Products Projects and Market Outlook**

Yuan Weimin, General Manager, Shanghai Baitie Import and Export Co., Ltd.

**12: 25 Buffet Lunch & Networking**

**14: 30 Engineering Practice of Electrolyte Production and Mixed Acid System**

Yu Chong, Chairman, Shandong Enersea Technology Co., Ltd.

**14: 55 Vanadium Resource Integration + Ultra-Short Process Technology Breakthrough: Reshaping the Cost Landscape of Electrolytes and Empowering the Energy Storage Industry Ecosystem**

Guan Qing, Chairman, Hunan Jinglun New Material Technology Co., Ltd.

**15: 20 A New Method for Efficient Enrichment and Separation of Vanadium from Low-Grade Vanadium-Bearing Resources and Related Fundamental Research**

Yan Baijun, Professor, University of Science and Technology Beijing

**15: 45 Coffee/Tea Break & Networking**

**16: 10 Development and Experience Summary of Vanadium Extraction from Stone Coal in Xiangxi**

Li Fei, Associate Professor, Jishou University

**16: 35 Progress in Clean Vanadium Extraction Using the Calcium Method and Product Upgrading**

He Wenyi, Deputy Director & Senior Engineer, Pangang Group Research Institute Co.,Ltd.(Vanadium Technology Institute)

**17: 00 Progress in Vanadium Extraction and Short-Process Preparation of Vanadium Electrolyte**

Meng Fancheng, Associate Professor, Institute of Process Engineering, Chinese Academy of Sciences

**17: 25 Preparation and Capacity Control of High-Valence Vanadium Electrolyte**

Zheng Nianben, Associate Professor, Central South University

**17: 50 Conference Concluded & Reception Dinner**
